

Rajeevan Sharan

Software Engineer Intern

✉ rajeevansharan6@gmail.com  [rajeevansharan](#)  [Sharan](#)  +94 772995460

Summary

IT undergraduate at the University of Moratuwa with skills in software development and web technologies. Reliable and adaptable team player with a focus on accuracy and ownership. Eager to learn continuously and contribute effectively to the tech industry.

Education

- **University of Moratuwa** Sri Lanka
Bachelor of Science - Information Technology
- **J/Kokuvil Hindu College** Sri Lanka
G.C.E. Advanced Level - Mathematics Stream (2AB)

Skills

- **Languages:** Java, TypeScript, JavaScript
- **Frameworks:** Spring Boot, Next.js, Node.js, React
- **Databases:** PostgreSQL, MySQL, SQL
- **Tools:** VS Code, Docker, Git, GitHub, IntelliJ IDEA, Postman, Figma, Swagger UI
- **UI Libraries:** DaisyUI
- **Soft Skills:** Communication, Adaptability, Time Management, Public Speaking, Fast Learner

Projects

- **Learning Management System (LMS) for Mahapola Port & Maritime Academy** 2025
Overview: Developed a custom web-based LMS replacing outdated systems, with digital management of courses, students, exams, and certifications. Focused on Administrator Interface and Dashboard, including course management, lecturer/student assignment, attendance tracking, and student dashboard. Role-based access was implemented.
Outcomes: Streamlined course and student management, improved attendance tracking, and enhanced role-based access control.
Technologies: Spring Boot, Next.js, PostgreSQL, REST APIs, MVC Architecture
GitHub: github.com/RandithaK/mpma
- **Personal Contact Management Web Application (Ongoing)** 2025
Overview: Developing a full-stack web application for managing personal contacts, with modern Spring Boot practices like MVC, JPA persistence, REST APIs, and Dockerized deployment. Supports contact listing with pagination and search, adding, updating, and deleting contacts.
Outcomes: Improved efficiency in contact management, simplified CRUD operations, and enhanced user experience.
Technologies: Spring Boot, Spring MVC, Spring Data JPA, PostgreSQL, Thymeleaf, Bootstrap, HTML5, CSS3, Maven, Lombok, Docker
GitHub: github.com/rajeevansharan/PersonalContactBook
- **Task Tracker** 2025
Overview: A full-stack Task Management System built with Spring Boot (Backend) and React (Frontend). It allows users to create, update, delete, and manage tasks efficiently through a clean and responsive UI integrated with RESTful APIs.
Outcomes: Enabled efficient task organization with pagination, sorting, and filtering by status. Provided a responsive design, toast notifications, and a smooth REST API workflow for task management.
Technologies: Spring Boot 3.5.6, React, Tailwind CSS, Axios, H2 / PostgreSQL Database, Maven
GitHub: github.com/rajeevansharan/TaskTrackerApp

- Restaurant Management System (Ongoing)** 2025
Overview: Developing a comprehensive web-based system to digitize restaurant operations, including menu management, order processing, and user authentication.
Outcomes: Streamlined order workflow, digitized menu management, and secure role-based user authentication with persistent data storage.
Technologies: Spring Boot, MySQL, Spring Security with BCrypt, Spring Data JPA + Hibernate ORM, Maven, MVC Pattern with REST APIs
GitHub: github.com/rajeevansharan/RestaurentManagement
- Automatic Medicine Dispenser - Level 1 Microcontroller-Based Hardware Project** 2024
Overview: Developed a medicine dispenser with automated scheduling, safe storage, visual guidance, and GSM-based notifications.

Certificates

- Intermediate JavaScript:** HackerRank Certifications
- Basic Java:** HackerRank Certifications

Competitions

- Tech-Triathlon 2025 Participant (Ongoing)** 2025
Rootcode Tech-Triathlon - GovTech Theme
 - Project:** *eGovDoc* - Mobile-responsive web app automating government document requests in Sri Lanka, focusing on travel warrants and salary confirmation letters.
 - Role:** Frontend Developer working on Citizen Role Page, including Travel Warrant Request Form.

Languages

Tamil: Native	English: Working Proficiency	Sinhala: Elementary Proficiency
